All members are required to have a background check, sign a liability release, and take a safety/orientation class before they can shoot on our range.

Our Club has an annual Fish Fry and Raffle fund raiser for all our members and their family. We give away Thirteen or more guns and approx. \$4000 worth of door prizes, and we ask members to sell tickets for the raffle, It is not required to sell tickets, but all money is used to make range improvements and prevents "Work Days". If you do not want to sell or purchase tickets, we will accept donations (\$50 minimum) toward range improvements, or you can come out and paint for six hours.
